

LANDOWN **HER** SERIES WOMEN IN AG

THE PROGRAM

More and more women are either purchasing farmland, managing land, or are now having to figure out what is needed on their families' land. This series, in its third year, is aimed to not only empower you with information and guidance, but will also serve as a way to build a community and make connections so that you don't feel alone or overwhelmed.

INFORMATION

- Program runs May – October
- 5:30 PM – 8:00 PM
- \$50 for program and resources
- A variety of locations & topics all centered on Homesteading: bee keeping, soap making, sourdough, and more.
